

We invite you to be a part of our success story...

Opportunities and Excellence

Situated on the Devonport Peninsula, surrounded by beautiful beaches, Belmont Intermediate School is a well-resourced school catering to the needs of the emerging adolescent, ages 10-13 years old.

Belmont Intermediate School is a culturally diverse, inclusive school. We aim to challenge and inspire our international students to become confident and connected learners. They are integrated into the Kiwi experience by developing language and cultural awareness capabilities. We provide significant pastoral care to ensure a smooth transition, in a safe and supportive environment. We welcome short term or long term placements.

International Department

At Belmont Intermediate School we have a Masters qualified, dedicated ESOL teacher and a teacher aide to support our international students in mainstream classes. We provide small group ESOL lessons, individualised reading programmes and classroom curriculum support to ensure student success.

Student Support

Looking after students is important to us. The International Student Director is in charge of pastoral care and works hard to support students and their parents. The school runs a homework support class for our international students. A native speaking counsellor is available and our buddy system helps students integrate and make new friends. A quality home-stay experience can be arranged for short term students. Belmont Intermediate School is a signatory to the Code of Practice.

Academic Excellence

As a school we have high expectations for student achievement and progress. We run extension and enhancement programmes across many curriculum areas to ensure that Belmont Intermediate School students excel in all areas of the New Zealand curriculum. As a school our talented students and teachers routinely win top prizes in a range of curriculum competitions.

Co-Curricular Opportunities

We challenge students so they can positively experience new horizons with an extensive co-curricula programme. It includes 22 different sports ranging from aerobics to yachting and the arts including drama, dance and music. Academic opportunities include mathex, science fair, literature quiz and chess club.

Why Belmont Intermediate School?

- Excellent academic, cultural and sporting results
- High quality teachers
