Dear Parents, Caregivers and Friends of the School,
Tena Koutou Katoa Nga mihi nui Ki a Koutou Katoa,

Last week I had the pleasure and privilege of coaching and managing our AIMS games football team. The performance of the boys and girls teams along with the many individual performances were a credit to the school and the families of the respective students. As the week came to a conclusion I impressed upon the boys the need to reflect on not only the quality of their performances but what they learned about themselves, their character and desire to succeed. Sport teaches us many things, specifically about coming back from adversity, being a team player, preparation and the importance of looking after your body during a tournament. Both the boys and girls teams were prepared well and delivered some outstanding team performances. Well done! My thanks To Mrs Hay and Mrs Lysaght for their support of the futsal team and to Mr Darryl Petherick, Mr Will Jeffrey and Mr Cameron Jardine, for their support of me and the football team. A big thank you also to all our parents for their help and support in the individual sports. Please view the rest of this newsletter for a full list of results.

As the term comes to a close, it is a pleasure to report to our community that we can be extremely proud of our students for their support of each other, their empathy and humility towards those in need, and general conduct within the school. We have continued to emphasise the importance of looking after one another, treating others how you wish to be treated and thinking of others when students and staff may be under pressure. Our values drive our culture and will ensure that we finish the term strongly as a community. In this newsletter, you will be able to share in the wide variety of successes that we have had in the last month. I encourage you to scroll through this edition as our students have had an extremely successful month.

In light of some near misses at the Belmont traffic lights intersection involving our students, I thought it was prudent to ask for your support in educating your son or daughter on road safety. Could I ask that if your child rides a bike to school, that they have a refresher on the road rules and how to conduct themselves at busy intersections. To support you as parents I will reinforce specific points from the road code during our assemblies and talk about the need to be aware of elderly pedestrians, mothers with prams and smaller primary age children. I appreciate your support with this.

I look forward to seeing many of you at one of our performances of Shrek The Musical JR. next week. The staff and students have poured hours and hours of effort into creating a performance that they can be proud of. There are still tickets on sale so if you have yet to buy one please go to (www.iticket.co.nz).

Next term is a summer term so we will be expecting all our students to be appropriately dressed. This includes wearing a school sunhat and utilising the sunscreen that is available in all classrooms. As this is my last newsletter for the term I would like to take this opportunity to wish you and your families a happy, safe and enjoyable holiday break.

Warm regards,

Nick Hill
Principal

Shrek The Musical JR.

"Once upon a time, there was a little ogre named Shrek...." And thus begins the tale of an unlikely hero who finds himself on a life-changing journey alongside a wisecracking Donkey and a feisty princess who resists her rescue. Throw in a short-tempered bad guy, a cookie with an attitude and over a dozen other fairy tale misfits, and you've got the kind of mess that calls for a real hero. Luckily, there's one on hand... and his name is Shrek.

Irreverently fun for the whole family, Shrek proves that beauty is truly in the eye of the ogre.

Tickets are only \$12 each and are on sale now and can be purchased on iTICKET (www.iticket.co.nz).

Mumps outbreak in Auckland

Auckland is experiencing an unprecedented mumps outbreak. There have been over 370 cases with more than 60 schools affected this year. Schools have had to exclude students and staff with mumps and any close contacts who haven't been fully immunised with the measles-mumps-rubella (MMR) vaccine.

This has disrupted the school, the students' learning and parents who have had to take time off work. Mumps can have serious complications requiring hospitalisation.

Need mumps protection?

There's an outbreak of mumps amongst Auckland students not fully vaccinated.

The measles-mumps-rubella vaccine will help protect young people against three serious diseases that are easily spread.

And it is free. Talk to your doctor or nurse today.

For more info call 0800 immune (0800 466 863) or visit [ARPHS.govt.nz](http://www.arphs.govt.nz)

Politics in Society: R10 Mock Elections

As a part of our Integrated Studies focus on society, Team Motutapu have had a bit of a look into NZ politics.

In R10, we decided to run a mock election. We pulled random parties out of a hat and those were the parties we had to promote, learn the policies for, advertise and vouch for. For the next two weeks we vigorously learnt our parties policies inside and out. In the following days people were scrambling to put up posters and upload their party sites onto our class blog and class site. Basically, we got creative and came up with many ways to try and win votes and to win the R10 mock election!

All parties emailed actual MP's and candidates of the parties they were advocating for and we were lucky enough not only to get a response from them but to get some of them to come in and talk with us and answer all of the questions we had about their party. This included Maggie Barry for National, Josh Hubbard for NZ First and Tasha Hohaia for the Maori Party.

On Thursday 14th September, we ran party debates. This consisted of two teams going against each other, answering a number of questions under such topics as education, employment, housing, tax, environment and health and also questioning the other party's answers. The party lineups were as follows: Green vs National, NZ first vs Act and Labour vs Maori Party.

On Friday all the groups went into the library to perform their leader speeches in front of 150 students including Team Motutapu classes. Every party delivered their very best and the speeches were phenomenal. The winning party after all students voted in our R10 Mock election was NZ First, with leader Vincent Yee Werry at the helm of it, followed by Labour with Scout Hallman as their party leader.

We learnt a huge amount and we think we'll definitely be informed voters going into the voting polls as soon as we hit voting age!

Blokes' Night Fun

We had a good turn-out at the recent Blokes' Night which raised more than \$6,500 towards the construction of the new Media Centre. The fathers, uncles, grandfathers, past pupils, teachers and friends who attended all enjoyed a delicious meal of lamb on the spit and pulled pork, while sampling a number of fine beers and playing pool and table tennis. It was a great opportunity to meet fellow parents in a social setting. There was a great sense of community spirit with sponsorship from a range of businesses and some generous bidding on the auction items. However, at the end of the night some unlucky bidder left behind their Village Kitchen Voucher, if this is you please email pta@belmontint.school.nz to claim your voucher!

Special thanks to the organising committee of Callum Gray, Michael Swarbrick, Scott Blackwood, Michael Sweetman, Alastair Ness and Tim Williams.

The Changing World

I am a component of the increasing human race.
I ponder what this polluted world will become.
I hear the happy laughs of people but how long will this last.
I see people polluting and doing nothing about it.
I want for this to change for future generations.
I am trying to make a difference.

We pretend that nothing is happening and that it is fine to pollute this planet.
I touch the precious trees that are slowly disappearing in front of us.
I worry that nothing will be here for generations to cherish.
I cry when I hear that millions worth of trees are being bulldozed down.
I am working towards changing the world.

I understand that we don't have much time left
on this planet.
I say that we should all change.
I dream that everyone will help improve the world.
I try to help others understand that we need to.
I hope that everyone will contribute to changing the world.
I am going to make the world change with the help of everyone.

Max Famliton Rm 8

We Are Society

We were once wet clay,
but society moulded us.
Took ahold of the reigns to our lives.

Sad eyes on happy faces,
mask inner sadness.
Happiness resting on society's shoulders.

Living is easy,
Trusting is hard.
Loving is impossible.

Somebody grey, right before you.
Somebody grey, right behind you.
Somebody grey, right beside you.

We blame society.
But we are society.
That's what they tell us.

Sam Mckibbin Rm 10

Unique and Different

They can be unique and different.
I have to be.

I wonder why they are all the same, I wonder why I am different?
I hear their voices, I hear mine.
I see their daily routine, stand out.
I see my daily routine, be normal.
I want to be normal, I want to fit in.

They can be unique and different.
I have to be.

I pretend to be normal, they pretend to stand out.
I feel out of place, I feel lost.
They are the same, they are different.
I worry that they will never change, I worry that I will never change.

They can be unique and different.
I have to be.

I understand my way of life now, they understand theirs.
I say I am the same, they say different.
I dream to fit in, they dream to stand out.
I try, I try to be happy.
I hope I will fit in while they hope they will stand out.

They can be unique and different.
I have to be.

I don't have a choice.

This is our society.
Let's change it.
