Dear Parents, Caregivers and Friends of the School,
Tena Koutou Katoa Nga mihi nui Ki a Koutou Katoa,

Congratulations to all the finalists who spoke so eloquently during our speech finals last Friday. The standard, delivery, quality and variation of topics enthralled the audience and made it a very difficult decision for the judges. Well done to the place winners, 1st place Zara Cash with 'Why advertising should be banned', 2nd place Gaby Dellabarca - 'Plastics' and 3rd place Jacob Moore - 'Sponsorship of sport by fast food companies', I enjoyed listening to you all.

We have started the important and complicated process of arranging classes for 2018. As is usual at this point, we offer you the opportunity, to indicate thoughts on the learning conditions you feel would optimise the progress and achievement of your child or children. If you wish to, for both year 7 and year 8 2018, please email apaterson@belmontint.school.nz prior to Friday 20 October. Please note that this does not mean you can request a particular teacher. Where necessary this process will be one of consultation, however, with the greatest respect the final decisions concerning class placements will remain with the Senior Management Team.

Thank you to all of the families who have already paid their donation. The money donated by parents and caregivers helps supplement the operational grant received by the Ministry of Education. It enables us to continue to update the provision of curriculum resources, required to maintain and further develop the learning experiences for your children. Parental support is essential to achieve our goal to provide the best quality education for our students. Your payment would be appreciated. If it is not possible to make payment in a lump sum, term-by-term payments can be made. Eftpos facilities are available at the office for your convenience. To make an online payment, please see our website for details <http://www.belmontint.school.nz/fees-donations/>

I would like to wish all our individual competitors, football and futsal teams, all the best for next week as they embark on our third foray to the AIMS Games. I will be traveling with and coaching the football team, along with a number of parents. I would like to thank Wendy Hay and Fiona Lysaght for the huge amount of time and effort they have put into preparing the teams for this event. My thanks also to our parents for their fundraising efforts and support of the teams.

I am looking forward to connecting with current BIS Dads, Grandads and future parents at our annual 'Blokes Night' this Friday. It is a great opportunity to relax, network and enjoy each other's company. The list of auction items is published in this newsletter.

Lastly, if you haven't got your tickets for Shrek The Musical JR. yet they are selling fast. Tickets to the four performances can be purchased on iTICKET (www.iticket.co.nz).

Warm regards,

Nick Hill
Principal

North Shore Bandquest

On Thursday 24 August, the BIS bands rocked the stage at the 2017 North Shore Bandquest. 'Neon Flame' (Tori Johnson, Janayah Wadsworth, Holly Isherwood, Connie Waine, Luke Blackwood and Lucas Agar-Mendousse) and 'R18' (Angel Jacobson, Tsenate Akebergne, Scott Beaumont, Scott Shrimpton, David Nicholls and Miro Mitchell) put on brilliant performances, playing original songs that were crafted and polished over the weeks leading up to the concert. BIS were awarded three awards at the end of the night: Best original song to 'R18', best drummer to Holly Isherwood and best original lyrics, written by Tori Johnson of 'Neon Flame'. It was a great experience for the students to collaborate, piece together original ideas and perform live on stage. The students did themselves and the school proud and are looking forward to more big performances throughout the year.

If you are interested, you can watch one of our band's (Neon Flame) performance of their Original Song 'In the Cold' here:

Auckland Mathex

On Thursday 24 August at the ASB Stadium in Auckland, sixteen students from BIS competed against over 150 of the top mathematicians in their age group for the Auckland Mathex trophy 2017. Our Y8 representatives were Lachlan Jardine, Dennis Hu, Felix Blanchard, Phoenix Qian, Nathan Lang, Masa Hirata, Rohan Sherlock and Finn Brown. The Y7 students representing BIS were Joe McKibbin, Nicholas Mansell, Brook Thomas, Harrison Bacchus, Sam McKibbin, Dylan Shearer, Jasmine Perry and Christian Scott.

The atmosphere was highly charged and the contest intensely competitive. Our teams worked valiantly and finished just one or two questions outside the top placings.

BIS takes huge pride in the accomplishments of these teams throughout the year and the committed and respectful manner in which they represented the school.

Shrek The Musical JR. Tickets on sale NOW at www.iticket.co.nz

Shrek The Musical JR.

"Once upon a time, there was a little ogre named Shrek...." And thus begins the tale of an unlikely hero who finds himself on a life-changing journey alongside a wisecracking Donkey and a feisty princess who resists her rescue. Throw in a short-tempered bad guy, a cookie with an attitude and over a dozen other fairy tale misfits, and you've got the kind of mess that calls for a real hero. Luckily, there's one on hand... and his name is Shrek.

Irreverently fun for the whole family, Shrek proves that beauty is truly in the eye of the ogre.

Tickets are only \$12 each and are on sale now and can be purchased on iTICKET (www.iticket.co.nz).

You should all be very proud of how well you have represented your teams and exceptionally proud of how you have represented Belmont Intermediate School.

Congratulations and well done!

Congratulations to Finn Holbrook who took part in the North Island Primary Schools SnowSports Champs, Finn came a very impressive 12th out of 168 skiers in the Giant Slalom. He also won both of his dual slalom races. Well done Finn, you did amazingly well!

Do you have what it takes to join the Takapuna Grammar School Rowing Club?

Rowing is a fabulous sport for all types, our rowers have the leg power of a cyclist, strength of a rugby player, endurance of a triathlete, reflexes of a netball and hockey player and the balance of a snowboarder, and there is absolutely no need for you to have any previous rowing experience.

Last season we had some amazing successes as a club, with our crew members finishing in the top 10 and top 20 crews in the national finals, against all schools across New Zealand (over 2500 competitors), and we are now currently recruiting for new crew members to join our club and compete across the country representing Takapuna Grammar School.

All year 8 BIS students and their families are welcome to come along to the TGS school library on Thursday 7 September evening from 6.30pm to hear more about one of the most successful sports in both the school and the country from our Olympic and World Champion Head Coach Eric Verdonk, and also sign up for the season ahead.

For those that who would like to come and have a go in a boat with our crew members come down to the club house at Bayswater Marina from 09.00 - 11.30 on Sunday 10 September, meet the club and have a go.

Well done to the boys hockey team, winning their game to finish in 3rd place in the C Grade, wonderful!

Team Motutapu MKWC Workshops

This term Team Motutapu has had two writing workshops through the Michael King Writers' Centre (MKWC) and their programme, The Poetry Project. Students worked with the inspirational poet, To'a Tuputala, to create some stand out poetry focused around our team Integrated Studies topic of societies and civilisations, under our school topic question of, How does our past influence our future?

In the final workshop, students got the opportunity to present and perform their poetry and a poetry jam - one that made your eyes pop, skin tingle and heart sing - took place! Some pictures below capture the fun, passion, talent, and enthusiasm of these workshops. If you scan the provided QR code below, you'll also see a video taken of a shared poetry WE society piece as well. Students read out their favourite line from their poem and together made a shared WE society poetry piece conveying their views, attitudes, and ideas about society, past, present and future.

Congratulations to the twelve students who were selected by To'a Tuputala and the MKWC to receive a MKWC certificate for their outstanding poetry pieces. They said it was no easy task choosing just twelve! These students were:

1. Pollution - Sam Mckibbin
2. Friend or Foe? - Elise Clark
3. Perfect Picture Haiku- Jimmy Austin
4. Passion - Scout Hallman
5. I'm Lost - Kurtis Mawson
6. Tic Toc Stop - Nicholas Mansell
7. I am the Future- Ellie Brown
8. I am Human - Vincent Yee
9. I am Good at Video Games - Emre Logan
10. I Am - Max Famliton
11. I am Funny and Kind - Ariel Hopkins
12. They Can be Unique and Different - Teagan Pye

Te Utu - The Revenge

Rangi watched his paddle, in perfect sync with his son Nikau's, slice through the clear morning sea. It had become their regular morning ritual. Pulling up near another of their tribe's wakas, they let their fishing hooks drop down and hang lazily in the glassy waters. For a few minutes it was as it should have been.

Peaceful. Calm. Still.

Then a scaly body of black shattered the silence. Taniwha, eyes blazing, jolted out and crashed into a nearby waka.

Cries of fear and confusion rippled across the troubled waters as Taniwha wove a path towards Rangi's waka. Nikau, brave beyond his fourteen years, sprang up ready to thrust his taiaha. The villainous creature responded with lightning speed, launching itself against the bow and taking Nikau down to the dark depths with him. Rangi threw himself off their sinking waka, his mind spinning, as he roared out for Nikau. Taniwha resurfaced but was hit by taiahas from the other fishermen, making it flee.

Searching vainly, Rangi scoured the waters but it was clear. Nikau was lost to the sea. Revenge reared its ugly head, coursing through Rangi's veins, blinding him. Single minded, he started tracking the trail of blood Taniwha had left in its wake, following it until he was back on land and at the entrance of a weathered cave where the trail of blood peppered its way through.

Rangi rock hopped into a cavernous hollow, "UTU!" REVENGE! He roared the word out loud, the sound bouncing around the hollowed cavern. Unsheathing his patu paraoa, he felt his way further in. The dark, dimly lit cavern was moist, sunlight barely tinting the rocks and the walls slimy, emanating a familiar, earthy smell, like the one that accompanies the first rain after a long period of warm. Rangi kept his club close. Suddenly, an earsplitting roar emerged....
